

## Tour of the six

A 7 day route which links 6 mountain huts and 3 valleys (Valtournenche, Val d'Ayas and the Gressoney Valley), which can either be tackled independently or with the aid of a nature and trekking guide. Each evening participants will stay overnight in a different mountain hut, in order to discover and appreciate the warm welcome and traditional cuisine and wines of Valle d'Aosta.

**Difficulty:** min. 1h 30 mins - max. 6.30 hours' walking per day

**The offer includes:**

- 6 nights in a mountain hut
- Half board with dinner and breakfast in mountain hut (drinks included)
- Sheet sleeping bag and shower

**The price does not include:**

- Individual or collective transport from Antagnod to Champoluc, at the end of the route
- The assistance of a trekking guide, which should be requested when booking (cost €150 per day per group)

**7 DAYS' TREKKING  
6 NIGHTS**

**Valid** from June to September  
**Price from €276** per person (adults)  
**Price from €228** per person (under 15 years)

## Weekend in a mountain hut

Ramblers' dreams will come all at once in June and September! Enjoy a warm welcome from the mountain hut owners, who will offer advice tips on the best trekking trips. Relax and unwind as you admire all the beauty of nature, a starry sky, in front of a cosy open fire!

**The offer includes:**

- 2 nights' half-board accommodation in a mountain hut
- Welcome drink on arrival, with typical canapés from the mountains

N.B. Offer valid in accommodation facilities belonging to association, subject to availability.

**2 DAYS IN A MOUNTAIN HUT  
2 NIGHTS**

(arrival on Friday evening)

**Valid** at weekends in June and September

**Price from € 80** per adult (special rates for children under 14)

**Tips for trekkers:**

- A rucksack with a rigid structure and a strap around the waist is recommended, as it spreads weight more evenly across your back
- Prepare your rucksack carefully, leaving out superfluous items and making sure you carry a change of underwear, waterproof trousers and jacket, sunglasses and sunscreen, a jumper, gloves and hat
- Wear mountain trekking boots with a "vibram" type sole and long trekking socks
- Use a drinking bottle or thermos flask for liquids
